RE: 327 N Aberdeen

On February 8, 2016, Neighbors of West Loop (NOWL) – Ward 27 Committee met with representatives from 327 N Aberdeen to discuss their proposal. A community meeting for this project was held on August 30, 2016.

The original proposal in February was for CS-3, but with the expansion of the downtown district, the project was revised to DS-3 prior to the community meeting. Nearby residents did not voice concerns over the project. Based on the revised proposal NOWL offers its support of this project. During the meeting, representatives from the project committed to submitting this as a Type 1 to prevent changes to the proposed project.

Please contact me with any questions.

Thanks,
