- 3) Discussion of Community Support Required
- 4) Funding Required and Possible sources
 - a) Capital Improvements
 - b) Long term operating needs (Park District vs. Community)
- 5) Next Steps - If community is in agreement on proposed renovations and improvements
 - a) Park District will create finalized design
 - b) Obtain Funding
 - c) Construction

Community Discussion:

- 1) 2018 goals for FRP:
 - a. Community garden/landscaping
 - b. Reseeding grass – **NOWL will send an email to the supervisor of FRP to initiate the process; once the CPD sends landscaping to come and reseed, community involvement is need to put up signs to not disturb the area for about 6 weeks, and to provide eyes and ears to CPD/NOWL if there are damages to the fenced area**
- 2) NOWL to work on setting up a FB page for FRP which will be used by the community to continue the discussion on park improvements and getting neighbors a forum to get together for discussion, and potentially move toward forming a committee or PAC for FRP
