

Hi Everyone,

Thank you again for coming out and providing feedback on ways to improve your neighborhood parks! We hope that the meeting provided an opportunity for the community to come together, meet neighbors, and start collective efforts in improving our area parks and green spaces.

I've listed the enhancements/concerns that you had voiced, and ask that if you are interested in leading/joining Neighbors of West Loop's Fulton River Park or the Heritage Green Park Committees, please reach out to me or May Toy. Once we gauge interest, we will work with everyone to schedule follow up committee meetings to address specific topics. Please feel free to spread the word and get more community involvement!

Fulton River Park:

A)Enhancements:

- 1) Bigger/Fenced Dog Area - potentially on top of hill
- 2) Water features
- 3) Playground at bottom of hill
- 4) Landscaping
- 5) Seating features
- 6) Community Gardn
- 7) Programming

B)Issues:

- 1) Hills are not usable
- 2) Drainage Issues
- 3) Light posts unstable

Heritage Green Park:

A)Enhancements

- 1) Dog area
- 2) Seating features
- 3) Community Garden
- 4) Programming
